**CATTARAUGUS COUNTY FAIR STREET LEGAL SEMI
TRUCKS**

FULL PULL PRODUCTIONS, INC.

ADOPTED: OCTOBER 27th, 2011

THE FOLLOWING CLASS IS OFFERED AS 'REFERENCE ONLY'. This class is not to be considered a normal or regular class of competition with USA-EAST FOR 2014. The rules are provided due to the fact that some events may elect to run this class in 2014. This class is for STREET LEGAL and STREET LICENSED semi-trucks. Trucks in this class are expected to be regularly driven on the highway. Any truck that dominates in the class *may* be handicapped. This is truly an OPEN class for all semi-trucks, but it is definitely NOT a PURE STOCK class. There maybe other "local fair" rules imposed on this class when it runs.

LEGALITY OF ENTRY

All entries must be a Street Licensed Semi Truck. The owner must furnish a current registration card for the vehicle at the time of registration and the driver must have a valid CDL license. Truck must be capable of pulling a trailer on the highway. All trucks must be driven to the pulls. You may trailer a Street Licensed Semi Truck into a pull as long as the truck that is pulling the trailer will also be pulling.

SAFETY CONSIDERATIONS

No riders are permitted in truck during pull attempt. Driver may not leave the driver's seat while vehicle is on the pulling track. Driver will take all direction from the flagman on the track.

AIR BAGS

The use of air bags is permitted. However no air may be added to or removed from the air bags while the truck is hooked to the weight transfer machine. The height of the hitch must remain the same from start to finish. Any change in the hitch height will be cause for disqualification.
